LAKE VIEW

HIGH SCHOOL

Chicago, Illinois

New Frontiers at Lake View

An era of vast and overwhelming progress in science, technology, and education is now with us. Lake View High School is, to be sure, a vital part of this age. As she has done throughout her history, Lake View continues to expand, grow, and enlarge so that she may better enlighten her students and better prepare them for the future. Television classes, the modern new physics laboratory, the stronger emphasis on education, and advanced classes are concrete examples of the new order.

We realize also that even though Lake View is moving forward at a fantastic rate, she still has a bond with the past. Lake View's traditions and history still echo loudly through her halls. We must always remember these traditions, and we must always cherish them. Today is an extension of the past; today also gives rise to the future.

Dedication

Lake View High School proudly dedicates
the 1962 **Red and White**
to its new principal,
Mr. Andrew A. Moore

In the short period of time that he has been here, Mr. Moore has shown everyone that it is possible for students to develop their academic talents while still maintaining a friendly atmosphere about the school.

Mr. Moore is not, however, new to the Chicago educational system. Following his graduation from Northwestern University, he has taught and administered on both the elementary and secondary level. He has been principal of Peterson Elementary School and Harlan High School. All of this has proven to be an excellent background in the training of a fine principal.

We hope Mr. Moore enjoys being at Lake View as much as we enjoy having him here. It is also our wish that Lake View will be his home for many years to come.

New Frontiers In Activities

Lake View's extra-curricular activities help form an integral part of what we call our school spirit. This spirit is the very essence of Lake View, and we are proud of it. During this past year our activities have been many. They have ranged from various athletic games to the Student Council's Teacher Appreciation Day. Perhaps one of the most unforgettable extra-curricular events was homecoming. The homecoming festivities this year can be truly described as magnificent. Never before has our school seen such striking and imaginative floats. Brilliant reds, rich yellows, and lush greens combined to create a day which we will long remember.

New Frontiers

In The Arts

A need for self-expression is perhaps the most unique aspect of man. Throughout the ages human beings have manifested this drive by creating beautiful and exciting works of art, music, and literature. At Lake View we are fortunate to have many opportunities that enable us to make use of our artistic talents. Our musical organizations, our art classes, our drama classes, and our literary groups help to foster a true appreciation for the beautiful.

This year Lake View has seen great progress in the arts. Our school welcomed Mr. Otto Klasen, the new conductor of the Concert Band. We have all enjoyed and thrilled to his dynamic musical interpretations. Moreover, a small part of the A Cappella Choir was selected to perform with the All-Chicago Mixed Chorus. Lake View's literary achievements were crowned with the 1962 **Bolt** which has surpassed all previous efforts. In the realm of the humanities, Lake View has truly made great advancements.

A Historical Look at Lake View High

Lake View High School, the first township high school in Illinois, was dedicated on April 29, 1874. Lake View's original building consisted of a library, a laboratory, four classrooms, and a large assembly hall. Dr. Augustus F. Nightingale was the first principal. The area surrounding our school at that time was vastly different from what it is today. In fact, the community was rural in nature. There were few streets and only six houses. The town of Lake View derived its sustenance from the land, which was held in tracts and devoted largely to gardening and farming. On May 4, 1874, seventy-three students entered the new building; only eight were taking regular high school courses.

On Friday, March 13, 1885, disaster struck. A fire completely destroyed Lake View's first building. Science apparatus, some furniture, and "Johnny," the school skeleton, were all that the fire fighters could save. After voting for a bond issue to remedy the situation, the citizens of the community proudly celebrated the opening of a new school building on May 28, 1886. Three years later the town of Lake View was incorporated into the City of Chicago, and Lake View thus became a city high school. Naturally enrollment increased steadily during these early years. In order to accommodate these new students, a four story addition was erected at the north end of the building in 1898. This addition is still a part of the present Lake View. Take a close look at our Ashland Avenue main entrance, and examine the date above the doors.

In 1916 more physical changes occurred. The 1886 section of Lake View was razed, and a new section containing the present assembly hall was erected. At the same time a new north addition containing the boys' gymnasium was built. A year later, in 1917, our country entered World War I. Many Lake View boys joined the armed forces, and some died for their country. Our school did its part by supporting the war bond effort. Despite the war, Lake View grew in leaps and bounds. In 1919 three branches had to be opened; they were Greeley, Ravenswood, and Hamilton. By 1930 the number of students attending Lake View had increased to 4,800.

The last new section was added to Lake View in 1938. This final addition, including the lunchroom and the girls' gymnasiums, was constructed at the far north end of the property. Shortly thereafter, World War II marked a

second period of darkness and hardship for our country. Lake View again did more than its share to help. During the 1940's Lake View's enrollment remained relatively high; in fact, for a time shifts were necessary. However, by 1950 the enrollment had greatly decreased, and Lake View's branch schools were no longer needed. In that year Greeley, the last of the branches in operation, closed. Today, in 1962, Lake View has approximately 2800 pupils.

Dr. Ellen Bracht
District Superintendent

Dr. Ellen Bracht is the new Superintendent of District Three. She is on the Central Committee of District Superintendents which plans the general curriculum for all the public high schools and elementary schools in Chicago. While working closely with Mr. Moore in strengthening and improving the educational program at Lake View, Doctor Bracht must also find time to do a vast amount of outside work which includes lecturing at many community affairs. The purpose of her work, as stated by Doctor Bracht, is to give students the educational goals and facilities that they need.

A Fabulous Experience In American Government

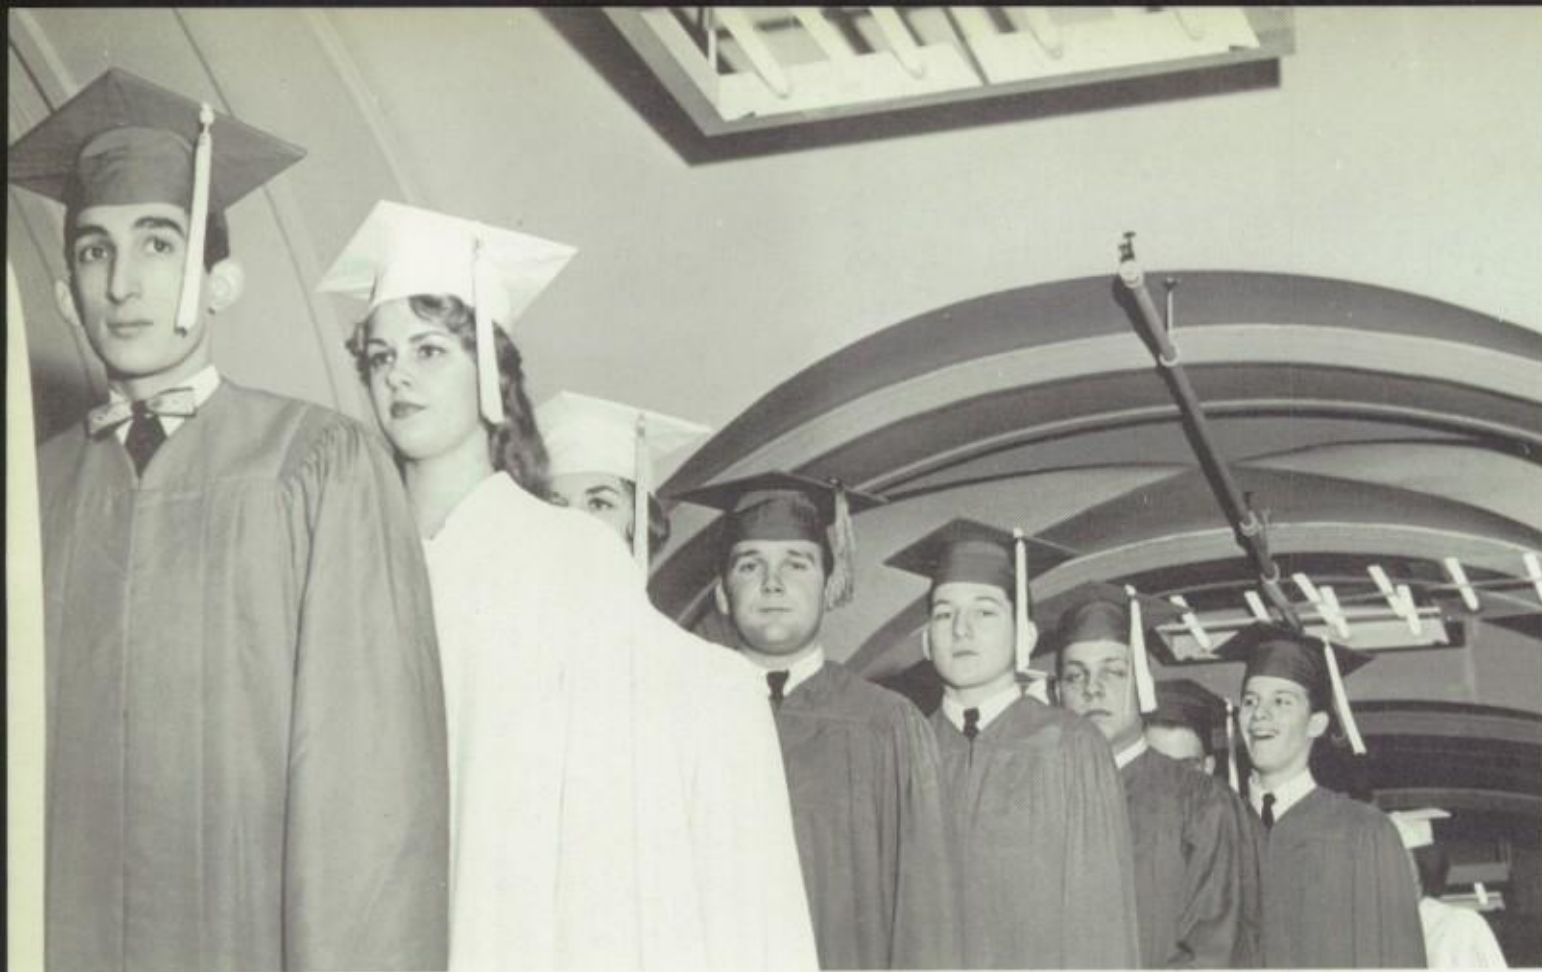

The Washington Trip, an annual tour of Washington D.C. during Spring Vacation, is one of the most valuable experiences that a Lake View student can have. Under the guidance of Mrs. Evelyn Horney, twenty pupils were able to appreciate the beauty of our nation's capital. Some of the historic places that they visited were the Bureau of Printing and Engraving, the White House, the Capitol Building, and the Supreme Court. The many memorials in the city were also visited. One of the most delightful experiences was a steamer excursion down the Chesapeake Bay to Norfolk. After sightseeing in Washington D.C., the group proceeded to Williamsburg and then to Baltimore.

Graduation

Before we realize it, graduation night is upon us. We stop and wonder at how quickly four years have passed. Our thoughts go back to the first day we had spent at Lake View. We remember our first football game, our first music festival, and our first school dance. Fond memories predominate. Somehow we forget the problems that we had experienced. A melancholy is suddenly felt deep within us. We are sad to leave a school that has been our home for four years. We understand now that we must face the adult world. However, we know that with the training Lake View has given us, we will be able to face the future with courage and hope.

Senior Luncheon

One of the highlights of the 4A semester is the Senior Luncheon. For a few hours the class can sit down and enjoy one another's company, thus escaping for a short time from the hectic pace ultimately leading to the night of graduation.

Concert Band

This year the Concert Band welcomed its new conductor, Mr. Otto Klasen. We are especially happy to have Mr. Klasen with us because he is a Lake View graduate and had studied under our beloved Captain Walz. At the Fall Music Festival the Band demonstrated what tireless effort and cooperation can accomplish. Highlights included excerpts from Wagner's "Die Meistersingers" and "Mexican Overture." We know that these are only samples of the wonderful work that our Concert Band will produce in the years to come.

Mr. Otto Klasen

Beautiful Music in a Soft and Harmonious Manner.

Each year the Senior Orchestra, under the direction of Mr. Irving R. Letchinger, brings to Lake View some of the worlds most beautiful music. During the Fall Concert it performed the popular "Thunder and Lightning Polka" by Strauss and Newman's "Street Scene." Bizet's "Menuet" from "L'Arlesienne Suit II," with flute solo by David Bloom, was brilliantly interpreted and a great success. We are very proud of our wonderful Orchestra and congratulate its members.

With great expectations!
Irving R. Letchinger

Miss Alice Figg

One of the highlights of the Lake View Music Festival is the A Cappella Choir, under the direction Miss Alice Figg. The amazing versatility of the choir allows it to begin a concert with the Broadway favorite, "If I Loved You," and work up to the beautiful "Thanks Be to God," by Mendelssohn. As a result of their fall concert, members of the choir were invited to sing in the All-Chicago Choir, which gave a concert at McCormick Place in March.

Mr. James Mercer

Red vests and masculine voices are the trademarks of the Boys' Glee Club. Under the direction of Mr. James Mercer, the choir makes the semi-annual concerts memorable events. Although the chorus has only been in existence for a few years, it has added much to the musical entertainment at Lake View. We all hope that the Glee Club will remain a tradition for many years.

Synchronized Swim Show

Each year the synchronized swimming group at Lake View, the Catalinas, presents an eagerly awaited show. This year's theme was "Lights, Camera, Action," and it proved to be a beautiful presentation. Under the guidance of their sponsor, Mrs. Rose Bressler, the girls attained new heights in perfection. Hard work and cooperation were the keynotes to their success.

National Honor Society

The National Honor Society of Lake View, under the capable sponsorship of Mrs. Irene Duke, is an organization which honors the student who has maintained a high scholastic record and has been of service to his school. No student is admitted to membership until his Junior year. The Society's semesterly Induction Assembly is a most impressive occasion. For the new members it is one of the most important moments in their high school career. Membership in the National Honor Society is a great honor as well as a great asset.

Hi-Q Society

The Hi-Q Society is Lake View's local organization which gives recognition to students for high scholarship. In order to be a member, a student must maintain an "E" average in his various major subjects. Recognition of scholarship is most important, especially during a time when academic excellence is so very vital to our country. America has been plagued for too long with an anti-intellectual spirit. We are finally realizing that good scholarship must be nurtured and lauded, not discouraged.

RETAINED GOLD HI-Q SOCIETY MEMBERS — January Class — Jan Farrell, Karen Abrams, Mrs. Duke, Leslie Revsin, Alan Sorkin, Sandy Powell, Edward Entin.

Student Council

The Student Council is the organization that represents the students of Lake View High School. Through the years the Council has become increasingly important. The scope of its activities has broadened until today the Council is responsible for most student projects. Under the able guidance of its new sponsor, Mrs. Margaret Tracey, the Student Council has had a most successful year. We will not soon forget the 1961 Homecoming activities, the Clean-up Campaign, or Teacher Appreciation Day. The Council also played a prominent role in the handling of this year's Crusade of Mercy. Moreover, the final annual function of electing officers is a valuable experience for every future voter. Lake View is proud of its Student Council.

Preparing the 1962 RED and WHITE

Many hours of hard work have gone into the making of the 1962 Red and White. The members of the literary staff, the advertising staff, and the business staff have given their time and talents unselfishly so that Lake View once again could have an outstanding annual. Without their help and enthusiasm this undertaking would have been impossible.

Bolt

Bolt Staff

For the last five years Lake View has put out an excellent literary magazine called **Bolt**. Although many have wondered about the magazine's unusual name, the mystery is rather simple. The letters "BOLT" stand for "Best of Literary Talent." It is the job of the Bolt Staff to select poems, short stories, and editorial features which will be put in the **Bolt**. The magazine gives prizes to the stories and poems they consider the most outstanding. Not only does producing the **Bolt** offer a necessary stimulus to the many eager young writers of Lake View, but it also gives the staff members excellent training.

Faculty Representative; Mrs. Raymond O. LeBoeuf, Second Vice President.

P.T.A.

Lake View High School is fortunate to have such an active and enthusiastic Parent-Teacher Association. It is always necessary that a school be in close contact with its community; the P.T.A. helps to make this a reality at Lake View. Once a year this organization sponsors Open House. During this evening parents meet the teachers of Lake View and obtain further

insight into the school's goals and problems. One of the main objects of the P.T.A. is to promote the welfare of the children and youth in the home, school, church, and community. Certainly the P.T.A. is a very important part of Lake View High School.

Girls with red and white badges, white blouses, and crisp organdy aprons are all part of the Senior Service at Lake View. All the members of Senior Service are in their last year of high school. They make the teachers' lunch periods more enjoyable by clearing tables and getting food for them. Miss Clough, their sponsor, has a right to be proud of these efficient girls. Not only do they help during lunch periods, but they also serve at special luncheons and teas.

CHESS TEAM

Lake View's chess team provides for its members to participate in a fascinating activity. Not only do the team members practice against one another, but the team as a whole has competitions with other schools. Chess has retained its popularity through the years because of the fact that the game is an intellectual challenge. This year's team, sponsored by Mr. Skoff, has shown that it has developed its skills well, for it has had an excellent record.

F.T.A.

The Future Teachers of America is an organization dedicated to showing students the various aspects of a teaching career. Under the excellent sponsorship of Miss Degan, the members often take over classes when teachers are absent and the substitute has not yet arrived. With the experience that students receive through membership in F.T.A., they are better able to understand the teaching profession and its problems.

MU ALPHA THETA

The Lake View branch of Mu Alpha Theta, the National Mathematics Society, is made up of a large and enthusiastic group of juniors and seniors who have not only an "E" average in mathematics, but an "E" average in all subjects. Under the sponsorship of Mrs. Margaret Rubly, the club meets every other Monday during tenth period and discusses topics in mathematics. Frequently they have a guest speaker. Much of the constructive work that the society does benefits the student in his class.

VISUAL EDUCATION — ROW 1: Richard Rheinstrom, Jon Stein, Eric Berman, Mr. Wagner, Sven Ljungholm, ROW 2: Michael King, Ed Martin.

VISUAL EDUCATION

Few realize the hard work necessary in maintaining an efficient visual education department. Mr. Wagner and his crew have the responsibility of ordering films, operating projectors, and making sure the machines are kept in constant repair. This is a service that is vital to the educational program at Lake View.

Behind the scenes of all of Lake View's concerts and assemblies lies a source of help that few know about, the stage crew. The main purpose of this group is to see that the performances function as smoothly as possible. With the help of Mr. Daniel these boys learn much about the technical aspects of the stage. These boys receive little recognition for the work that they do, so we at Lake View would like to take this opportunity to thank them for their efforts.

FOLK MUSIC CLUB

Lake View's newest organization, the Folk Music Club, was established by Mr. Skolnick, the club's sponsor. The club meets twice a month, and during these sessions the members listen to records, have members perform, and discuss the latest in folk music. In the course of the semester, the club attends folk concerts and participates in activities with other Folk Music Clubs in the city.

ROW 6: Ken Litchfield; Michael Slosson; John Boettcher; Franklin Friedman; Richard Adis.

KEY CLUB

Each year a small nucleus of about forty boys known as the Key Club conducts a campaign to raise money to be used in many ways. The money they collect goes to such worthy projects as the support of a Korean orphan, a \$500 scholarship to be given to a graduating senior, and also donations to several needy charities. In order to raise this money, the boys sell Key Club course book covers, pencils, pens, and even Key Club members for one day to needy girls on Key Club Slave Day. All of this makes the Lake View Key Club a worth-while organization.

4B CLASS OFFICERS — FALL SEMESTER — Cal Kowal, President; Judy Stearman, Vice President; Alicia Sandaford, Sgt. at Arms; Kathy Carstens, Chaplain; Patsy Shintani, Secretary; Patricia Hahne, Treasurer.

JUNIOR RED CROSS MEMBERS

G.A.A. BOARD

The activities of the Girls' Athletic Association are planned and executed by the twenty-three members of the G.A.A. Board. The Board plans many activities each semester, including splash parties, the spring picnic, roller skating parties, and various athletic tournaments. A small membership fee entitles each girl to participate in the events. The fine work these girls do is climaxed at the annual assembly which honors deserving girls with letters and trophies.

The Wildcats In Action!

The Lake View Wildcats of 1961 were without a doubt the finest that we have turned out in a number of years. The immovable eleven of Lake View went through their five league games without a single defeat. Some of the stars were Toby Hartman at fullback, Tom Priola calling the signals, Elliot at halfback, and Mike Gill, also at halfback. All these players have been either awarded an honorable mention or named first string all-city backs. Then on the line we had Joe Canzaneri,

Richard Shapiro, and little Paul Bretz, who made an 87 yard end run against Sullivan. Of course, our most outstanding player was Toby Hartman, who was named the "City's Highest Scorer." All this, however, could not have been if we did not have such dedicated coaches as Mr. Jacobson and Mr. Lynch spearheading our team onward to victory. To these men we owe all our gratitude for the integral part that they played in our team's success.

ROW 1: Neal Mall, Captain; Coach Hasenberg. ROW 2: Paul Kargas, Jeff Cesaretti, Jerry McGovern, Tom Priola. ROW 3: Larry Goins, Eric Sambaum, Henry Gault, Bob Eick, Mike Gill. ROW 4: John Lindberg, Dave Storm, Steve Zilinski, Ken Litchfield, Mike Slasson. ROW 5: Glenn Endicott, Sven Ljungholm, John Callen.

Frosh-Soph Basketball Team

Terry Frigo, Terry Brown, Steve Smith, John Boettcher, Jeff Manning, Richard Cesaretti, Bill Jauch, Chuck Kroon, Richard Alvarado, Mike Ravid, Steve Levenson, Howard Paul, Bill Krueger, Joe Goldina, John Plotke, Ken Klug. KNEELING: Don Gralnek (MGR), Coach Juhl Lapins, Glen Endicott (MGR).

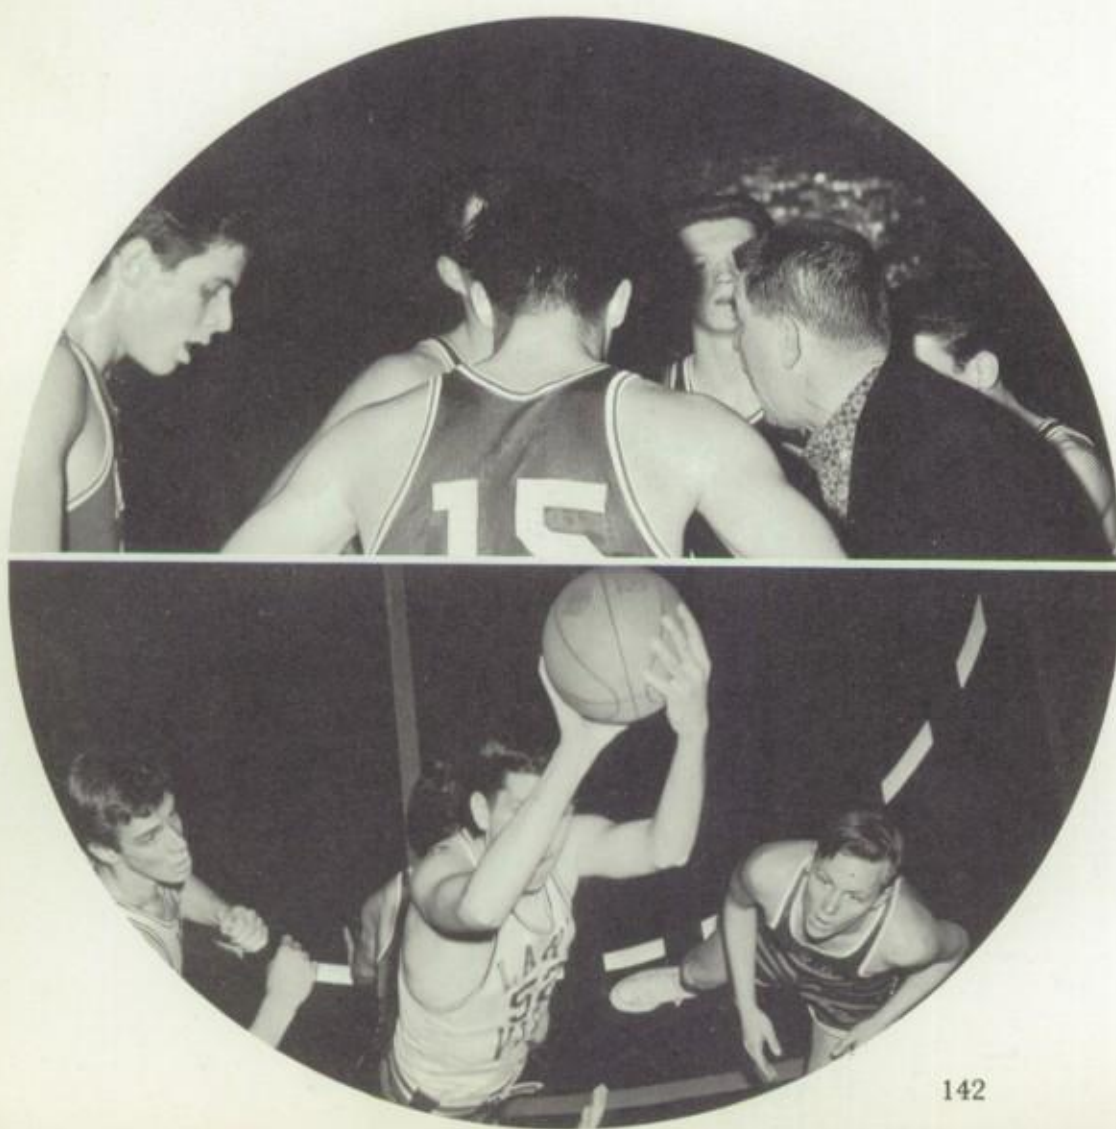

VARSITY TEAM

The Lake View Varsity Basketball Team, after the first round of Red Division, was tied for first place with four other teams. With some bad luck in the second round, they lost their next four games in close contests. At the last game of the season, the Wildcats swamped Foreman, but it was too late to gain the North Red Division play-offs. Neal Mall, the captain, lead the team in scoring. He was nominated to the Tribune All State Team and was the tenth highest scorer in the Red Division.

FROSH-SOPH TEAM

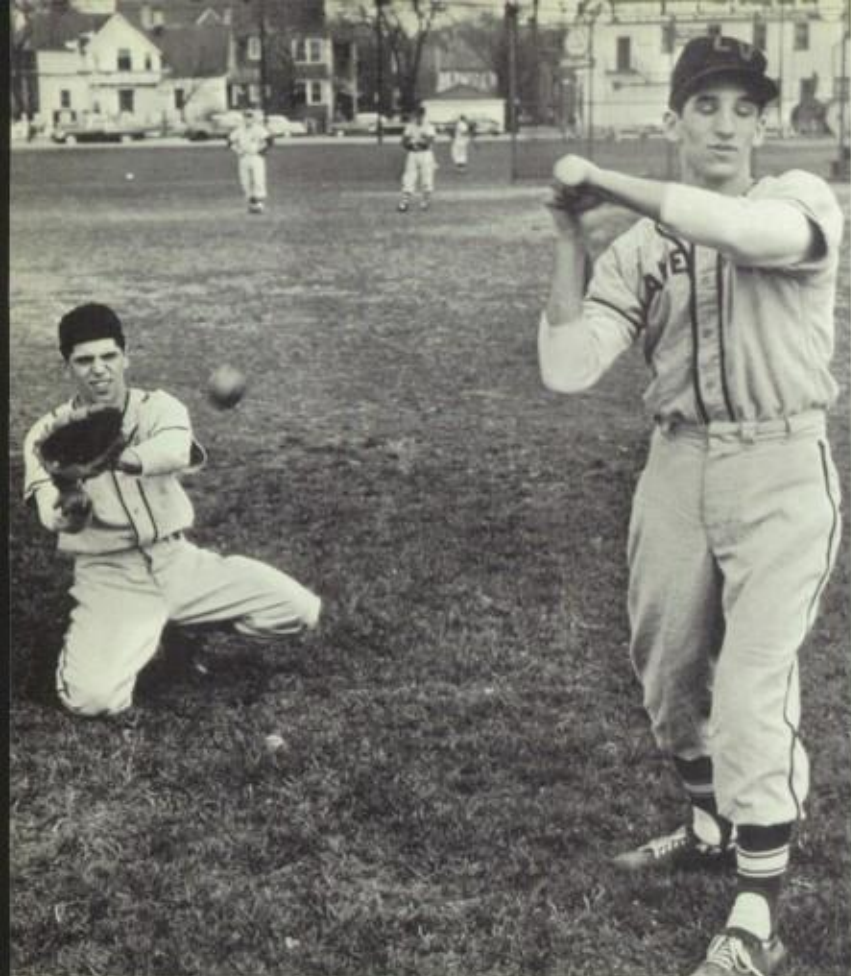

Lake View is proud of her Frosh-Soph Team even though they had a discouraging season. Some of the outstanding playing was done by Joe Goldina, an excellent center, and Steve Levenson and Rich Alvarado, both first string guards. The highlight of the season was the time when Lake View beat the first place Roosevelt squad in a quadruple overtime contest, the longest game on record since the sudden death rule was revoked.

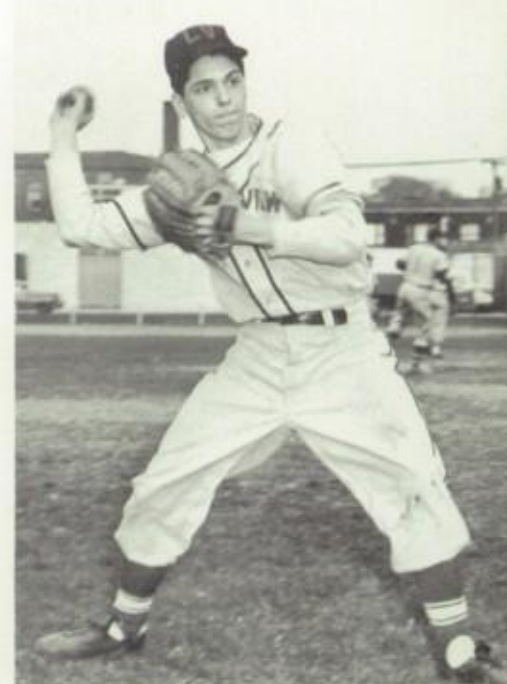

Onward to Victory

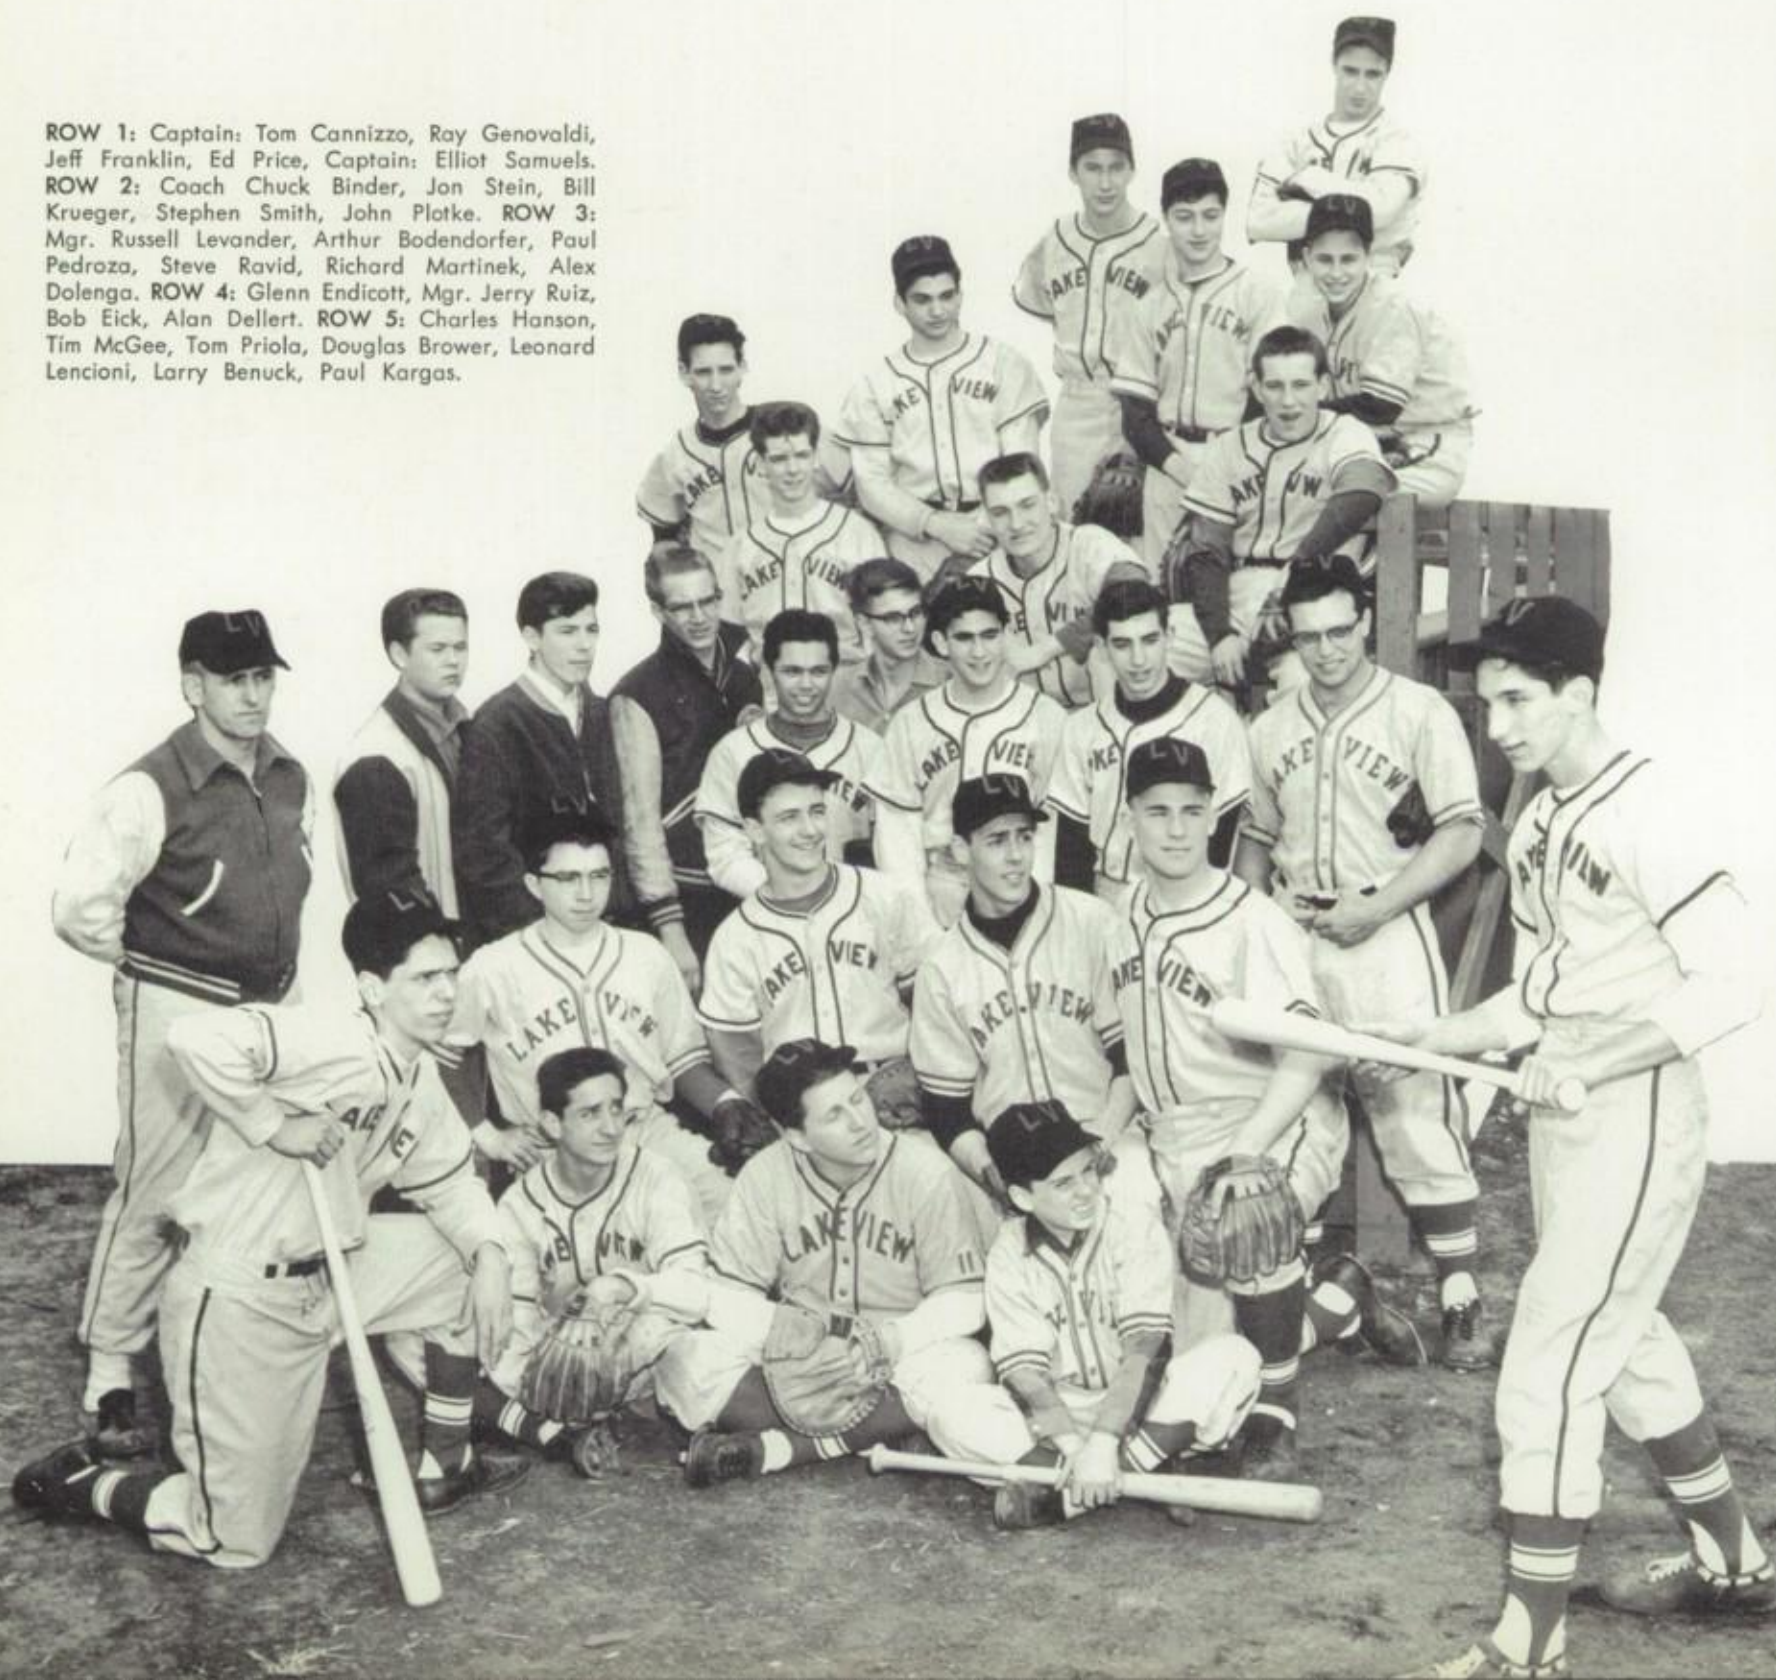

Baseball Team

Lake View's 1962 Baseball Team is under the direction of Coach Binder. The team is one of the most promising that Lake View has had in several seasons. Fortunately, most of the members will be back with us next year in order to lead Lake View on to further victories.

ROW 1: Captain: Tom Cannizzo, Ray Genovaldi, Jeff Franklin, Ed Price, Captain: Elliot Samuels. ROW 2: Coach Chuck Binder, Jon Stein, Bill Krueger, Stephen Smith, John Plotke. ROW 3: Mgr. Russell Levander, Arthur Bodendorfer, Paul Pedroza, Steve Ravid, Richard Martinek, Alex Dolenga. ROW 4: Glenn Endicott, Mgr. Jerry Ruiz, Bob Eick, Alan Dellert. ROW 5: Charles Hanson, Tim McGee, Tom Priola, Douglas Brower, Leonard Lencioni, Larry Benuck, Paul Kargas.

Swim Team

ROW 1: (In Water) Michael Brown, Jack Bloom, Nicholas Diacou, Jeff Franklin. ROW 2: David Rockwell, Alan Cooper, Paul Bretz, Peter Postl, Sanford Berke, Arthur Suttin, Howard Paul, Steve Smith, Jerry Mink. ROW 3: Coach Jacobson, Grant Moseley, Bob Sandt, George Harvey, Robert Fredlund, Dieter Witte, Joe Marrano, Steve Draska, Roger Wood, Greg Moss.

Win or lose, we can be proud of the efforts displayed by our swimming team. Under the guidance of Coach Jacobson the team had a tough season. The boys, however, will certainly benefit from this year's swimming experience. The following boys have distinguished themselves: Allan Cooper, Captain, Paul Bretz, Robert Fredlund, George Harvey, Gant Moseley, Peter Postl, David Rockwell, and Bob Sandt.

ROW 1: Linda Peterson; Teresa Torok; Greta Shanklin; Patsy Shintani; Juanita Taylor; Gloria Gregory; Arlene Murata; Grace Dusenbery; Pat Kuehn. ROW 2: Margie Tinerella; Roberta Matsumoto; Nancy Wertz; Connie Pult; Gail Delicio; Darlene Blau. ROW 3: Janice Wolf; Sharon Valentine; Elaine

Swanson; Karen Lichterberger; Marilyn Katz; Joyce Cole; Tina Rizzo; Barbara Handler; Diane Willenius; Lillian Scheel. ROW 4: Joyce Monteleone; Ella Tybauer; Marilyn Bongartz; Geraldine Ziegler; Frances Wallace; Mrs. Kelly; Lois Kaplan; Donna Sulls; Barbara Spence; Carol Sprissler.

Leaders' Class

Leaders' Class, taught by Mrs. Annette Kelly, is a new concept in the realm of physical education. This group of girls is trained by Mrs. Kelly so that its members can be of service to the gym department. In fact, each girl gives up one of her study periods in order to assist in a regular gym class. Naturally this improves instruction tremendously and enables the physical education instructor to be more effective. We of Lake View salute these wonderful girls!

CHEERLEADERS — Ann Chanin, Carolyn Gibson, Judy Fishman, Rose Lee Simons, Karen Noskin, Gail Fisher, Mareta Aguilar.

Cheerleaders

Jumping, turning, yelling, and tumbling are just a few of the feats displayed by our vivacious, untiring cheerleaders. What would a football or basketball game be without their wonderful drive. These hard-working girls have become an essential part of the Lake View spirit, and they have led us in cheering our team to many a victory. A flash of red and white and a great deal of "pep" — that's a Lake View cheerleader.

MAJORETTE SQUAD — ROW 1: Kathy Ryan, Susan Hackbarth, Barbara Happenrath, Marlene Stamer, Kathy Fardtke, Linda Krause, Kathy Karstens. ROW 2: Janice Bittner, Carolyn Sipple, Judi Hammacker, Jean Martens, Helen Tambling, Nancy Kemmerle, Marion Johanson, Janet Schlechter, Arlene Thut.

CONCERT BAND MAJORETTES — ROW 1: Gail Salcido, Marlene Stamer. ROW 2: Kathy Springmeyer, Donna Reid, Kathy Ryan, Linda Krause, Kathy Fardtke.

Majorettes

The girls in red and white uniforms with shining batons add sparkle and brilliance to Lake View's football games. During half time the Majorettes present their performance of skill and precision. They also perform during the climax of the semi-annual Music Festivals. The girls practice every day under the leadership of Miss Diane Zimay; even in the summer months they can be found at the lakefront perfecting their routines. They realize that practice makes perfect, and with their intricate twirling, tossing, and catching, these girls really show us how to put that motto to work.

R.O.T.C.

Lake View's R.O.T.C., under the direction of Sergeant Carl Purdy, serves our community and nation by preparing its cadets to become the leaders of tomorrow. Through R.O.T.C. training a cadet develops qualities of self-discipline, self-reliance, and self-possession. Moreover, he acquires a greater understanding of the meaning of citizenship and patriotism. Many of Lake View's cadets give up a portion of their free time so that they may serve their school as guides and ushers during assemblies and at various other special occasions. We know that the R.O.T.C. unit at Lake View will continue to grow in stature, for it is an important part of our school's tradition.

NEWS OF MAXIMUM INTEREST

4% interest on savings balances remaining on deposit for four consecutive calendar months.

3½% interest on savings accounts remaining on deposit for less than one year.

■ Lake View Bank pays interest quarterly from date of deposit to date of withdrawal as long as your account remains open. Also—interest is compounded every quarter. You receive interest *on* interest to make your savings grow faster.

■ Savings deposits made by the 10th of each month earn interest from the 1st of that month. AND—withdrawals made during the last 3 business days of each quarter will be allowed interest to the end of that quarter.

■ The Lake View is one of Chicago's larger banks with resources of more than \$200 million. But we keep on giving each customer's wants our best attention... *and enjoy doing it.*

Dear Dale

July 13, 1962

It's been 9 years that we've known
ya & it's been fun. I hope you
have all of the fun as I did in
high school. Be good & don't do
~~any~~ anything I wouldn't do! That
doesn't give you much room
Call me when you come out
to the lake.

Good luck to a sweet kid!

The first thing I noticed
when I stepped out of the
train was the cold air.
It was a sharp contrast
to the warm sun of the
South. I had heard that
the weather was bad, but
I didn't realize it would
be so different. The
people here were
different too. They
looked at me with
curiosity. I was
a stranger in a
new land. I was
alone. I was
lost. I was
afraid. I was
sad. I was
happy. I was
free. I was
home.

BEST WISHES THROUGH HIGH SCHOOL May G-D BLESS YOU AND MAY ALL YOUR DREAMS COME TRUE

Dear Dale
I wish you all the
best of luck in your
new semester.
I hope you will
enjoy your classes
and have a lot of
fun. Love you all.
